2020 Alexandria Area FCA Camp Scholarship Application Form

Please fill out a form for each athlete attending a camp

You want to go to an FCA camp! We want you to go to an FCA camp! Camp ministry has been, and is a key part of the ministry of FCA in the Alexandria Area! Together we can make this happen! Completing this form is your first step toward ensuring that you will have the needed resources to join us for a camp that will powerfully impact your life in sport, and most importantly in Christ! This form is designed to help you determine the funds you'll need to attend FCA camp this summer.

We have many individuals and businesses that have stepped up to help as many athletes as possible, and our goal is to share those funds where they are most needed.

Thanks for your time, and know that we are praying for our 2020 FCA camps and athletes!
